The Beatitudes: Key to Peace & Healing in the Worst of Times

The most difficult Christian doctrine is not the Trinity, nor the Resurrection, but the Beatitudes—that we are to be “happy and blessed” when poor, mourning, insulted, persecuted, and suffering injustice. How can these times of deep suffering become the times that most bless us with new life? This retreat will unlock the healing process in each beatitude to create an abundant life no matter our circumstances.

Fr. Matthew Linn, SJ has focused on integrating physical, emotional, and spiritual healing. He has advanced graduate degrees in sociology, anthropology, spirituality, and theology. Since 1970 he has taught courses & given retreats on healing in every state and in over 60 countries from Alaska to Australia. Ordained in 1973 he currently lives in a Jesuit community in Minneapolis where he trains spiritual directors. Matt has co-authored or written 23 books translated in over 20 languages and with over a million copies in English.
