Moving Towards God

St. Ignatius of Loyola, in his famous little book, "The Spiritual Exercises," establishes a progression of individual exercises that help people move towards God by developing a regimen for spiritual growth. While on retreat, Fr. Maher will help us understand and practice these exercises both in the context of the retreat, and more importantly, in our everyday life.

Also included in your retreat are opportunities for mass, reconciliation, adoration, stations of the cross, the rosary, silent reflection, and a healing service.

Fr. Mike Maher, SJ, has been a Jesuit for 49 years and a priest for 38 years. He is a historian who focuses on Early Modern History (the time of St. Ignatius of Loyola). He works at Marquette University in Milwaukee as an adjunct professor of history and has done many retreats throughout the years.
